RFP # 14-004-56
WASTE REMOVAL SERVICES

- 1.0 The Head Start locations are not included in online bid and a few others that Allied Waste currently service are not included as well. Approximately 50% are excluded on the bid at this time.
- 2.0 Recycle Services, 1-30-yd and 8-yd roll-offs are not listed on price sheet with their location and level of service. If you add them, can the 8-yds be emptied into our recycling truck instead of us hauling your 8-yds to a recycling facility and returning them?

Headstart is no longer under Shelby County Government and the recycle service and 8-yard roll off are on another bid.
